Mission

To prevent pet overpopulation  
through high-quality,  
affordable spay and neuter  
surgeries.

Dear Potential Supporter,

Animal Protection Association d.b.a. Spay Memphis is a 501(c)3 non-profit clinic dedicated to preventing pet overpopulation and reducing euthanasia rates by offering high-quality, affordable spay and neuter surgeries to the public. Since 2005, we have proudly fixed over 83,000 pets!

SPAYtacular is our clinic's largest fundraiser of the year, and is packed with donors who are committed to our mission and animal welfare in our community. The event features great food, drinks, music, and a silent auction, making it not only a great charity event, but a great night out for singles, couples or groups to attend. SPAYtacular is a fantastic opportunity to promote your business and let these diverse animal lovers know that you care about the welfare of our community's pets. Opportunities are available for monetary sponsorship, in-kind sponsorship of services, and donations of items for the featured silent auction. Our silent auction items will not only be at the event itself but we are posting auction items to our mobile bidding site, WeDo Auctions, as well! With this feature, your donated item(s) will not only be visible to our event attendees but anyone with the auction link, including our over 8,000 social media followers and our 5,000 newsletter subscribers.

We want you to be part of our celebration! The success of this event can only be credited to the generosity of Memphians like yourself who are concerned about the care and well-being of the city's animal population, and about reducing the tax burden associated with animal control and shelter operation.

Supporting proactive spay/neuter programs helps to end pet overpopulation at the root—your contribution has an exponential impact on the future of animal welfare in our community.

With much appreciation,

*Brittany Pace*
